"Cassis, spring flowers, graphite, and subtle scorched earth notes, as well as some classic Pauillac-like lead pencil notes, all define the 2023 Cabernet Sauvignon One Point Five, a medium to full-bodied, pure, layered, silky barrel sample." – Jeb Dunnuck

"... a wine dominated by black cherries and cassis but with some cool, minty overtones. It's full-bodied and packed with ripe tannins, finishing long and velvety, with hints of mocha-tinged oak. It should be another fine vintage." – Joe Czerwinski
