Luminous Chardonnay

"This luminous Chardonnay fills the glass with elegant aromas of citrus blossom, honeysuckle, and exotic spice. Flinty minerality and bright honeydew melon add lift, while vibrant acidity and lithe structure create a sense of purity and poise. Beautifully balanced, it delivers energy, freshness, and lasting finesse." — **Elias Fernandez, Shafer Vineyards Winemaker**

Shafer's single-vineyard Chardonnay is produced from small-clustered clones of grapes selected for their low yields and distinctive flavors. The vineyard is named for its Red-shouldered Hawks and other birds of prey, who play an important role in Shafer's sustainable farming practices.
