

Red Shoulder Ranch

2024 CHARDONNAY
CARNEROS | NAPA VALLEY

95 POINTS: JAMES SUCKLING

This has a lovely core of fruit with aromas of nectarines, grilled lemons and flint. The midweight, textural palate shows balanced acidity, finishing with a slight phenolic grip. Moving out of the cooler 2023 bottling, this is far more generous and open. Drink or hold.”

94 POINTS: ANTONIO GALLONI

The 2024 Chardonnay Red Shoulder Ranch is a very pretty, elegant wine. Lemon confit, white flowers, mint and light tropical inflections are some of the many notes that grace this weightless, super refined Chardonnay. All the elements are so well balanced. There is a feeling of understated lightness here that is so appealing.

93 POINTS: JEB DUNNUCK

Based on multiple clones and aged in 30% new French oak with no malolactic fermentation, the 2024 Chardonnay Red Shoulder Ranch was bottled in July and offers tons of tropical fruits, honeysuckle, sweet lemon, and tangerine notes. It's medium-bodied, pure, and nicely balanced, with the fresh, fruity style of the vintage. Drink 2025-2037.
