"The 2021 Cabernet Sauvignon Hillside Select is insanely beautiful. It's also one of the very finest wines I have ever tasted here. Bright, pliant and resonant, the 2021 offers a beguiling mix of Cabernet Sauvignon aromatics, generous fruit and gentle structure. The stylistic shift at Shafer has been remarkable—the 2021 is a great example. Red-toned fruit, blood orange, menthol, pine and sweet spice build into the eternal finish." – Antonio Galloni

"... a big, ripe wine, weighing in at 15.5% alcohol, but it remains harmonious from front to back. Deep, intense aromas of black cherries and cassis are accented by dried spices on the nose, while the full-bodied palate is rich and textural, showing tremendous intensity and length on the finish ... should drink well through 2050." – Joe Czerwinski.

"Incredibly ripe, delicious and structured, this age-worthy, collectible wine puts a lot of power in a velvety, refined package. Deep, concentrated black cherries, blackberries, dried blueberries, espresso and creme de cassis are wrapped in a full body and fine-grained, supple tannins ... Best from 2030." – Jim Gordon

"Such a beautifully balanced wine with tremendous staying power ... an impressive depth of red-toned fruit on the mid-palate framed by tannins that practically dance across the palate, exuding length, tension, and power ... all framed by racy acidity, which keeps everything fresh and lifted." – Jonathan Cristaldi
