

2021 TD-9®
Cabernet Sauvignon
NAPA VALLEY

WINEENTHUSIAST

95 pts

"... shows an amazing clarity of dark fruit. Its deep black cherries, blackberries and touches of black olive embody classic Cabernet. Beautifully integrated tannins lend a posh texture that's still bracing enough to help the wine age and improve."
– Jim Gordon

JEB DUNNUCK

94 pts

"... has a killer nose of caramelized red and black fruits as well as lead pencil, dried flowers, and toasty oak. It's balanced, medium to full-bodied, and just about impossible to resist ... it's a wine readers will love over the coming decade."
– Jeb Dunnuck

Decanter

94 pts

"... beautifully youthful primary fruits, boysenberry, dusty minerals, iron stone, and cedar plank notes, along with leather, dried herbs, and cocoa powder ... loaded with rich red volcanic, sanguine mineral character, pure ruby red fruits of cherry, cranberry, and pomegranate." – Jonathan Cristaldi

Wine Spectator

93 pts

"Bright and juicy, with fun burst of blackberry and boysenberry fruit laced with sweet bay leaf, violet, singed apple wood and licorice room. Good brambly energy runs underneath giving this a vibrant feel as well as ample structure ..." – James Molesworth
