"So ripe, full and generous, with a full body and a big presence. Lovely apple blossom and lemon zest aromas with juicy apple and Bartlett pear flavors on a foundation of lively acidity. An element of chalky, mineral notes adds complexity and freshness, giving a linear feel to this big, bold wine." – Jim Gordon

"... a very pretty and expressive white. Tangerine peel, mint, white flowers and tropical overtones lend notable aromatic brightness. Blocked malolactic fermentation keeps the flavors lively, but there's also plenty of textural creaminess. This is a fine edition." – Antonio Galloni
